Limits to numbers: In order not to overload the dining room, the kitchen and the serving people we need to restrict to no more than 30. **Please could all choices come to me by the Wednesday before the Wednesday of the dining night.**

If you want to join at the last minute or make alterations please telephone or e-mail me so that I can keep the numbers at no more than 30 and make sure the chef has the choices.

On the Monday before I will send round an e-mail with your choices on to check. If you don't get this I have made a mistake and please contact me. (870640)

*The next dining night is scheduled to be on **Wednesday 5th April.***

Peter Bright Wednesday 15th February.
