INFORMATION NOTICE

Legislation in the form of the Coronavirus Act 2020 is currently going through Parliament and the House of Lords, one aspect of which will allow Councils to meet virtually via online conferencing. Westbury-sub-Mendip Parish Council are currently arranging such facilities though Zoom and, as soon as permission is granted, will proceed with meetings on this basis until such time as meetings in person can resume.

Clearly these pose issues of accessibility for those with no internet access, but these are extraordinary times requiring extraordinary solutions. WSM PC will do all it can to ensure that the local community is kept up to date with developments through the usual channels – the noticeboards and the website - and will issue further details as soon as they become available.

Stay safe, stay calm, and enjoy the beauty of our lovely village and landscape.

Chris Harris, Clerk to the Parish Council
