

## Purchase of Dog Bins for the Parish

The Parish Council has been approached from a resident to install dog bins within the Parish.

Permission will need to be obtained from the landowner and if it is Somerset County Council a permit will need to be obtained at a cost of £250 per location.

Permission will also need to be obtained from Mendip District Council environmental services as to whether the emptying of the bin can be included within their route. They do not charge for this service.

Councils are limited to purchasing bins from Glasdon because that is the preferred supplier for Mendip District Council. [www.uk.glasdon.com](http://www.uk.glasdon.com)

Prices range from £105.17 to £270.29.

Posts would also need to be purchased and someone would need to install them.

Examples: -

Fido 25 Dog Waste Bin  
From £105.17

Retriever 50 Dog Waste Bin  
From £276.18

Metal Fido 35 Dog Waste Bin
