**Planning Applications – If other planning applications are received between the date of this notice and the date of the meeting, they may be considered.**

- (a) **2021/2029/TCA** T1 – Holm Oak, carry out a full pollard to the previous pruning points x4m. The lowest limb on the house side will be reduced by a further 2m beyond the previous pollard knuckle. Coombe Hay Farm, Broadway Lane, Westbury Sub Mendip **Update** Westbury Sub Mendip Parish Council recommended approval.
- (b) **2021/2118/TCA** T1 – Evergreen Christmas Tree – Fell. Old Ditch, Farm Cottage, Lynch Lane, Westbury Sub Mendip **Update** Westbury Sub Mendip Parish Council recommended approval.
- (c) **2021/2190/LBC** Erection of 1no. rear 2 storey annexe, including remodelling of existing retaining wall and rear garden and associated internal alterations to existing farmhouse. Ash Tree Farm, Old Ditch, Westbury Sub Mendip. **Update** Westbury Sub Mendip Parish Council recommended approval as it is a smaller footprint and is now further back from the road. A concern is raised that if the road behind Drappel Lane has to be shut whilst building works are carried out, the milk tanker will be unable to get through to Drappel Farm as this is the only access road.

Cllr Ros Wyke left the room

- (d) **2020/1678/REM** Application for approval of reserved matters following outline approval 2020/0364/OTA. Additional phosphate and drainage information received 31.08.21 and evidence of historic use received 23.09.21. Land North East of Tor View, Top Road, Westbury Sub Mendip. The Parish Council were invited to comment on the amendments. **Update** The amendments deal only with issues of drainage. No account has been taken of the strong objections to the proposed building raised by the Parish Council in the first instance. These seem to have been ignored. There are approximate 17 letters of approval from members of the public, most of whom do not live in the village, and they all refer to the original plans which have now changed significantly. The majority of the letters quote that the building fits snugly into the quarry, but this is no longer the case as the design has changed significantly. We are particularly concerned about light pollution within the AONB dark skies area. The suggested decals on the windows will do little to ameliorate this. Holes in the field next door have already been created to install the septic tank and drainage. Properties further down the hill obtain their water from wells and a strong concern is being raised about digging soakaway holes as they could drain into the water table and into the wells themselves. We also note that the soil is described as loamy and so likely to drain well. But limestone rock is very near the surface throughout the land on the north side of Top Road. The phosphate information is both confusing and inconclusive. The Parish Council has not had sufficient time to obtain independent advice on the issues and remains concerned that there is not sufficient evidence that the waste water will not contaminate local water and the wider environment.

Cllr Ros Wyke returned to the room

Cllr Sue Reece left the meeting at 8.20pm

21/247

**Planning Applications currently being monitored****(a) Land at Lynchcombe Lane, and Shepherds Barn, top of Lynchcombe Lane**

The enforcement team have opened a case, reference number ENF/2019/0035 and have requested photographs of the caravans, close up and context shots. They are still a bit limited in terms of site visits because of Covid. This was chased on 3<sup>rd</sup> September and an email was received on 23<sup>rd</sup> September saying they would respond in full shortly.

**(b) Shepherds Barn, top of Lynchcombe Lane.** The enforcement team have opened a case, reference number ENF/2020/0190. A full review of the case is being carried out; additional information has been requested before a site visit can be carried out, particularly a request for photographs of additional facilities.

21/248

**To Be Resolved****(a) Discussion and possible proposal to move the Parish Council website to another provider**

Mark Smith will contact the current provider again in relation to a reduction in costs. This will be brought back to the next meeting.

**(b) Discussion on whether Westbury Sub Mendip Parish Council would like to work in conjunction with Westbury Friendly Society and surrounding Parish Councils in organising a beacon event to help celebrate the Queen Platinum Jubilee next year.**

Westbury Friendly Society and the Playing Field Committee will work together to hold a village event maybe followed by a bonfire in the evening. The surrounding Parish Councils will be contacted to say Westbury Sub Mendip Parish Council will be happy to support a beacon event at Deer Leap.

**(c) Acceptance of quotes regarding the legal paperwork in reference to the offer of a gift of a field within the Parish**

This will be deferred until a response to the letter to the potential donor has been received.

**(d) Proposal to refurbish the two notice boards that were removed temporarily from Stoneleigh**

The Council **RESOLVED** to refurbish the two notice boards that were removed temporarily from Stoneleigh. Cllr Sue Reece to peruse and organise, there may be a small cost involved.

**(e) Proposal to consider replacing the village gazebos and marquees**

Following a discussion, it was agreed that they were in fairly good condition although a couple of small items needed replacing such as guy ropes. This will be reviewed again in the Spring.

**(f) Review of the annual Grant Policy and to approve the Changes.**

The Council **RESOLVED** to approve the changes and approve the grant policy.

**(g) Proposal for Westbury Community Tree Group to become either a sub-committee of the council or a working group**

This was deferred until the next meeting.

**(h) Discussion on the amount of rubbish being left on the Playing Fields and disposal of the rubbish.**

Neighbourhood Services at Mendip District Council will be contacted to ask whether the emptying of the bin can be added to the route.
