

Somerset's Warm Spaces for Winter 2022-3

- 1 Please enter the name of your town, city or parish council

- 2 Please identify a building or area within the parish that could be used as a 'warm space' to shelter members of the public during the winter months

If you can think of more than one, please reflect this in your answer

- 3 What hours of the day would the spaces (s) be available to use as warm space only?
Both the above buildings are booked throughout the day and evening by various groups running activities

- 4 Would there be any hours in the week where other activities would be in progress but the space (s) could still be used as a warm space?

- 5 What facilities would be available? (eg toilets, kitchen area?)

- 6 What is the transport accessibility like (eg bus routes, parking spaces)
