

TREE NURSERY GROUP

WATERING ROTA THROUGH TIL AUGUST 2023

The English weather is testing our ingenuity again and therefore, even before the end of the present rota, it has been decided to look again at what is needed at the Tree Nursery and draw up a revised timetable.

The job now requires the following from those on duty:

Daily watering of

- Polytunnel
- stratification tanks
- the two groupings of pots
- newly planted out beds of young seedlings

Two to three times a week a good watering of the entire nursery is needed. Exact frequency down to your undoubted good judgement.

On each Sunday, furthermore, the seed boxes in the polytunnel need a dose of seaweed fertiliser. Instructions on the bottle.

June 3	Lis Kennard & John Ball
June 10	Magdalen Goodbody & Tina Westcott
June 17	Jane Holmes & Julie Wigginton
June 24	Nicholas Brown & Penny Colwell
July 1	Caroline & Paul Hamilton
July 8	Tim & Megan Smith
July 15	Mick & Buffy Fletcher
July 22	Bob & Sally Bailey
July 29	Peter & Liza Harvey
Aug 5	Dave Limond & Lis Kennard
Aug 12	John Ball & Magdalen Goodbody
Aug 19	Tina Westcott & Jane Holmes

Let me know if you are unable to do the week allotted to you. If you are able to effect your own swap please do so and let me know. Otherwise just email me and I will find a swap for you.

THANK YOU!
