

Neighbourhood Plan Public Meetings

Presentations and discussions on three topics:

Village Facilities Survey - Results and Analysis

The Neighbourhood Plan Working Group will present the findings of the facilities survey and these meetings will provide a forum for everyone to discuss the results, tease out any new ideas and develop a sense of how we might want the facilities in the village to develop in the future.

Settlement Character – Final draft for review

This report sets out the historic development of Westbury and describes the key features of the various parts of the village. It seeks to identify which of these features contribute to the essential character of the village and need to be protected and enhanced whilst still allowing for growth for future generations. A final draft of this report has recently been received and is being reviewed.

Brownfield land (Redundant buildings at Court House Farm) – Possible uses for the village?

This site is central to the village and presents an important potential opportunity for the community. The Church Commissioners have indicated a willingness to engage with us about its future and this meeting will review the options available for discussion.

Two alternative meetings are proposed. Please choose one!

Wed 8 November via Zoom (7.30pm) *

Thurs 9 November in the village hall. (7.30pm)

***The link for the zoom meeting will be available on the parish council website from 3rd November**
