We note that as of today there is no record showing on the planning portal against this application of PC discussions since Feb 2025 regarding highways and pedestrian safety with Highways team.

Please can you confirm that all the discussions and email commentary that Westbury Sub Mendip Parish Council have had with Highways since 28 Feb 2025 will be formally considered with all other comments against the current outline application ref 2025/0137/OUT.

Thank you

Dear Rachael,

Thank you for your email.

Informal discussions/email commentary are not typically included within the officer's deliberations. The Highways Authority's formal response to the proposed development, along with any formal comments received from the Parish Council, will be included within the report and used as part of the consideration.

Kind regards,

Amelia Elvé MSc
